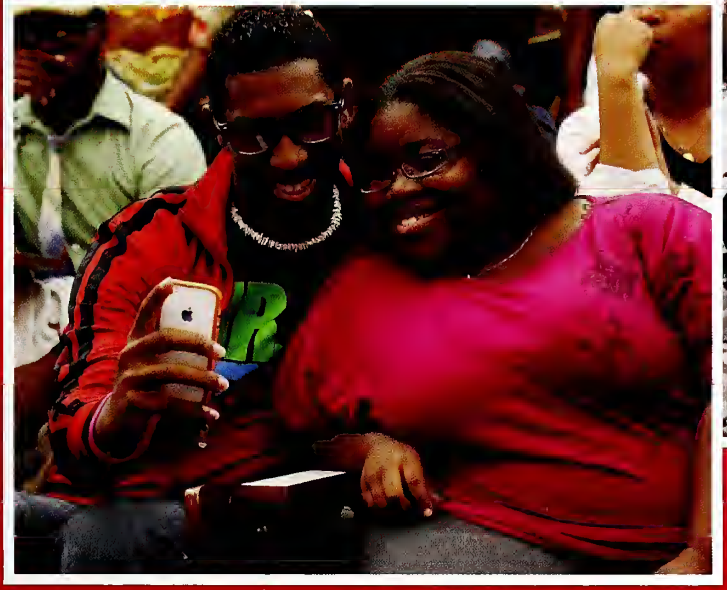
What Matters



Itawamba Community College is all about focusing on what matters - **the students.** Students enjoy many close knit activities with peers throughout their time here. Clubs like the Student Government Organization, Phi Theta Kappa, the Baptist Student Union, and the Wesley House are just a few examples of ways students can get involved at ICC. Sports are also a big focus for students at Itawamba Community College. ICC supports student athletes, and encourages students to do the same by cheering on their classmates and by 'Spreading the Red'. Intramural sports also give students an opportunity to play sports while on campus. Dorm life is a fun experience, too. Living in a dorm allows students to make new friends and learn to live on their own, all while giving them an extra opportunity to get involved in all the great things going here at ICC.

Indians finish the season with pride

Eliminated from postseason play, the Itawamba Community College football team was playing for one thing and one thing only against defending state and national champion and third-ranked East Mississippi Community College on Homecoming 2012...Pride.

The Indians (6-3, 4-2 MACJC North) celebrated a 24-23 Homecoming victory over the Lions (8-1, 5-1 MACJC North) after a 43-yard field goal by Tyler Jackson (Oxford) and a sack by Fred Ward (Aberdeen) on the final play of the game.

"This goes far past coaching," said ICC head football coach Jon Williams. "I've had a lot of big and special wins in my 16-year career, but this one ranks on top of that list because this win is about a group of kids who believed and never gave up against a team that without a doubt is one of the best teams in the nation."

BEING ROLEMODELS

Respiratory and Radiologic Technology students do good for the community.

The Respiratory and Radiologic Programs at Itawamba Community College had a very busy year. They worked hard to learn the skills of their desired professions to the best of their abilities. They strived all year to be positive examples, both on and off campus. During the year, they conducted many service projects. They passed out candy to the Child Development Center children on Halloween and also collected money for the St. Jude Hospital. All in all, these students proved throughout the year that doing good deeds helps one be a positive influence on campus and in result, the community.

Final graduation plans being made

Dr. Cole - 1997

Dr. David Cole announced his retirement this year, effective June 30, 2013.

Cole became the fourth president of Itawamba Community College in January 1993 after having served for nearly two decades as superintendent of South Panola School District in Batesville.

As a Mississippi school administrator, he has been a leader in both economic development and in raising educational standards for the state. He has served as chair of the Mississippi Community College Presidents' Association during the passage of significant mid-level funding and Workforce Education Initiatives.

Through his visionary leadership, ICC has experienced as much as 50 percent increase in enrollment, and in 2011 at 53.80 percent, the College achieved the highest percentage increase in graduation rates among all 15 two-year institutions in Mississippi.

In 2012, the Aspen Institute selected ICC as one of the top 120 community colleges in the nation. In addition, the College has an $8 million fundraising initiative, the largest capital campaign conducted by any community college in the state, to complete the funding for the $15.8 million Health Science Education Center on the Tupelo Campus.

Cole earned his bachelor's, master's and doctorate degrees from the University of Mississippi, where he was honored as the Educator Alumnus of the Year in 1993.

Last year, he was selected as the recipient of the prestigious American Trustees' Southern Region CEO of 2012 award. The regional award was presented to Cole at the ACCT Leadership Congress in October in Boston, Mass. As the regional award recipient, he is the sole nominee from the Southern Region for the national Marie Y. Martin Chief Executive Officer Award.

"To be nominated and selected for an award of this magnitude is, indeed, humbling," Cole said. "All of the accomplishments at Itawamba Community College are the result of partnerships, collaboration and teamwork. It [was] a great pleasure to accept this significant award on behalf of the ICC family."

He is active in civic, church and professional activities including being a member of the Board of Directors of the Community Development Foundation, Tupelo; United Way of Northeast Mississippi Board of Directors; and a board member of the Mississippi Economic Council.

Cole is also a member of the Fulton United Methodist Church. He is married to the former Betty Darby of Batesville, and they have four children and six grandchildren.

A Legacy of Leadership

Colophon

The Mirror yearbook staff has worked extremely hard on the 2012-13 edition of the ***Mirror***. The 16 member staff began working on the book in September of 2012. The last page of the 216 page book was sent to the publisher on March 22, 2013. This year's editor was Shelby Payne and co-editors Emalee Yielding and Nicole Taylor. The editors and staff would like to thank Kim Wygul Williams for being our sponsor this year. Without her dedication, this book would not be possible. We would also like to especially thank Connie Yielding for her proofreading skills and helping hand. We would like to thank Maggie Caldwell for helping illustrate our book with photography. We would also like to thank Will Kollmeyer and Adam Gore for all of the sports information supplied. The editors would also like to the staff for continually working hard all year. Without them, no deadline would have ever been met, and no book would have ever been published.

This year's theme was "Taking a Closer Look at ICC." We chose this theme because we feel that every activity done at ICC, big or small, captures the school at its finest. We felt that it was important to emphasize the act of taking the time to stop and see the beauty and strength that is in every ICC student. It is what truly makes ICC its own. We hope that this book in the future will help people remember the good times they had while attending Itawamba Community College.

Shelby, Nicole and Emalee
